

CLUE

Your journey ends where the minds of AEC gather,
beneath the watch of a pioneer who shaped its very
foundation.

Look ahead for a statue bearing only the face of a
pioneer, with his story written beneath.

Right in front of this statue, find the board where
letters leap, pictures speak, and creativity comes
alive.

The treasure is closer than you think—
your final clue is waiting there. 🔍

This is the last clue...We promise
